Perfect Timing Band ~ Band Bio

Perfect Timing is a 6 piece cover band from Central Ohio. Three men and three women, all vocalists and musicians, the band covers an eclectic mix of favorites that few other bands can deliver. Diverse and authentic, the band came together when the “timing was perfect” for them... bringing a passion for music, sharing interests and friendships, and being able to play the songs that they and many others love. Together for over 5 years, they have quickly built a following and are recognized for professionalism, great harmonies and musicianship.

Paula, Tina and Trish love vocal harmonies and have sung together (and apart) for years... Joe, and twins John and Donny, have been longtime friends while playing in bands together (and apart) for over 35 years, most notably Mesa, Highway 70, and Crosstown Traffic.

John Needles: Lead Guitar and Vocals	Paula Reliford: Electric Guitar Keyboard and Vocals
Donny Needles: Drums and Vocals	Tina Blackburn: Keyboards and Vocals
Joe Hahn: Bass Guitar and Vocals	Trish Padley: Acoustic Guitar Percussion and Vocals
